

GRM Lecture Series 2014

同志社大学大学院

博士課程教育リーディングプログラム—複合領域型（多文化共生社会）—

Advanced Doctoral Program in

Global Resource Management

This lecture is organized as a part of the GRM course
“GRM Fieldwork I ⑤ ～Open Lecture～”

Speaker:

Ms. Mehrnaz Mostafavi

(Human Security Unit, United Nations)

Ms. Mehrnaz Mostafavi has been working for UN Trust Fund for Human Security (UNTFHS), and helping to mainstream the human security approach into concrete activities to improve the lives and livelihoods of people who have faced with complex and multidimensional situations of human insecurity.

She will give us a lecture about what achievement she has made through her current position, how she developed her own career, and what it means to work for the UN and other development assistance related organizations.
