ウイグル自治区での大規模な収容キャンプと厳しい監視が、中国だけでなく海外のウイグル人にどのように影響しているのか。

The Storyline of the Film (Content)

Most members of the Australian Uighur community are missing someone. They all say they have a family member detained, imprisoned or trapped in what the Chinese call the Xinjiang Uighur Autonomous Region in northwest China. Many have remained silent, out of fear for those still there. But now, in a state of desperation, they are starting to come forward and make their stories known.

You are welcome and free to join watching the documentary film.

We will have free talk and discussion afterwards about the film and related issues and views.
